

## DID YOU KNOW WE MAKE POCKET FOLDERS?

### Low Minimum Quantities Available

At Dupli, we offer flexible printing options that fit projects of any size. For smaller, light-coverage orders, our Xeikon press handles up to 250 copies seamlessly. For larger, high-coverage runs, our Heidelberg press produces up to 50,000 copies with vivid color and precision.

With our new slitter/cutter, every piece is finished cleanly and accurately. Plus, we keep a curated selection of premium papers in stock, ensuring quick turnarounds and top-quality results every time. We're here to help bring your vision to life, whether it's 50 copies or 50,000.
